

SUPPORTING YOUR ORACLE JDE CLIMB

Still running **EnterpriseOne Xe to 9.1 or World A7.3 to A9.2**? Looking to **upgrade/migrate** or planning for the future? Our **ERP Roadmap, Upgrade and Migration Workshops** are designed to provide you with deliverables that can outline what you need to know and decide upon for your next project and reach your JDE goals.

Visit us on the web or **contact us today** for more information.

**JD Edwards EnterpriseOne and World follows a Continuous Innovation model, where new functionality is delivered as updates to the existing release; upgrades are not required to gain access to new features and capabilities.*

At Oracle's discretion, the "Premier Support Through At Least" date may be extended in one-year increments. If it is no longer practicable for Oracle to continue to provide Premier Support for this product, then Oracle reserves the right to not to extend the "Premier Support Through At Least" date and the existing date will be set as the End Date for Premier Support.

UP, UP, & AWAY!

When you're ready to take that next step to the Oracle Cloud, we're here to help. After all, we've done it ourselves and are continuing to do it every day for clients just like you.
